Thickness	0.7mm
External Finish	GreenCoat® Pural BT

TEST CERTIFICATIONS

Quality	CE Marked (BS EN 14783:2013)
Fire Rating	Class A1 (BS EN 13501)

STANDING SEAM FLASHINGS FOR CLADDING

STANDING SEAM FLASHINGS FOR ROOFING

SUSTAINABLE MATERIALS

Cladco Standing Seam Roofing Sheets are manufactured from SSAB Steel coated with GreenCoat® Pural BT. The use of Swedish rapeseed oil, in place of traditional fossil fuel oils, promotes sustainable production methods which reduce our environmental footprint to provide you with a high-quality, A1 fire-rated roofing and cladding product.

AFTERCARE

Standing Seam Roof Sheets are low-maintenance and require little in the way of upkeep. We recommend, however, that annual inspection of the Sheeting is carried out, and any debris or dirt build up is removed or cleaned away.
